# Index to Volume 158 • Index au volume 158

CMAJ is indexed according to the medical subject headings established by the National Library of Medicine, US National Institutes of Health.

Each article title is followed by a code that designates the article's category. The categories and accompanying codes are listed below.

Le JAMC est indexé par vedette-matière selon la nomenclature de la National Library of Medicine des National Institutes of Health américains.

Chaque titre d'article est suivi d'un code qui indique dans quelle catégorie l'article appartient. Les catégories et leurs codes sont les suivantes.

Books and other media (Book) • Livres et autres documents (Livre)  
Editorials (Ed) • Éditoriaux (Ed)  
Editor's preface (EP) • Mot du rédacteur en chef (MR)

## SUBJECTS • SUJETS

### - A -

#### Abdomen

*MRI of the Abdomen and Pelvis: A Text-Atlas.* Edited By Richard C. Semelka, Susan M. Ascher and Caroline Reinhold (Michaud) (Book) 797

#### Abnormalities

New system helps disguise facial deformities (NA) 860  
Uncovering risks in early amniocentesis (Kent) (NA) 710

#### Abnormalities, drug-induced

Little-publicized Manitoba case holds crucial lesson for doctors (Capen) (F) 1520

#### Aboriginal peoples

Canada's first female aboriginal psychiatrist honoured (NA) 709  
Determinants — and determination (Hoey and Postl) (Ed) 1467  
Diabetes threatening young native children (Square) (NA) 292  
Mercury levels in the Cree population of James Bay, Quebec, from 1988 to 1993/94 (Dumont and others) (Ev) 1439  
Methylmercury and fish consumption: weighing the risks (Clarkson) (Ed) 1465  
Screening for cervical cancer (Clarke) (L) 301  
[reply] (Grunfeld) (L) 302  
Unconventional therapies for cancer: I. Essiac (Kaegi and Task Force on Alternative Therapies of the Canadian Breast Cancer Research Institute) (Educ) 897

#### Abortion

Abortion and the married woman (Buske) (P) 992  
Abortions now funded in Newfoundland (Ryan) (NA) 860  
Applause for Dr. Romalis (Posner) (L) 1130  
L'avortement et la femme mariée (Buske) (M) 992  
7:10 am, Nov. 8, 1994 (Mullens) (F) 528  
Society's interest in protection for the fetus (Flegel) (Ed) 895  
They don't really understand what used to be (Mullens) (F) 530  
Uncovering risks in early amniocentesis (Kent) (NA) 710

#### Abstracting and indexing

Administrative databases: Fact or fiction? (Marshall) (Ed) 489  
Common bile duct injury during laparoscopic cholecystectomy in Ontario: Does ICD-9 coding indicate true incidence? (Taylor) (Ev) 481

#### Academic medicine

And God said... (Wiley) (L) 1688

#### Academies and institutes

Brother, can you spare \$1 000 000? (Kent) (F) 1189  
Fibre-optic links eliminate distances separating specialists, patients (Lyttle) (F) 1349

#### Canadian Institute for Health Information

Augmentation des dépenses du secteur privé (Buske) (M) 848  
Physician numbers hold steady (NA) 161  
Private spending on the increase (Buske) (P) 848  
Trends and variations in length of hospital stay for childbirth in Canada (Wen and others) (Ev) 875

#### National Cancer Institute of Canada

Le cancer au Canada et à l'étranger (Buske) (M) 1680  
Cancer in Canada and abroad (Buske) (P) 1680  
Latest data from the war on cancer (Sullivan) (F) 1340

#### National Research Council of Canada's Institute for Biodiagnostics

This little piggy went to market, this one went for an MRI... (Square) (NA) 1263

#### Access to health services See Health services accessibility

#### Accidental falls

Le bilan énorme des blessures au Canada (Buske) (M) 1784  
Canada's massive injury toll (Buske) (P) 1784

#### Accidents, aviation

Manitoba crash a wake-up call for "fly-in" physicians (Square) (F) 1064

#### Accidents, occupational

Injuries associated with the farm harvest in Canada (Hartling and others) (PH) 1493

#### Accidents, traffic

BC tackles whiplash-injury problem (Kent) (NA) 1003  
Princess Diana's tragic legacy (Cusimano) (L) 866

#### Accreditation

At least 12 US states refuse to recognize physician training accredited in Canada (Korcok) (F) 1061

#### Acknowledgement

Acknowledgement of scientific reviewers/Remerciements aux examinateurs scientifiques 657

#### ACP Journal Club

*Best Evidence 2: Linking Medical Research to Practice* (CD-ROM) (Ho) (Book) 1649

#### Acquired immunodeficiency syndrome

AIDS in Africa: a personal experience (Rashid) (Ex) 1051  
AIDS in Africa (Tectonidis) (L) 1129  
[reply] (Chan) (L) 1129  
Education resources available for MDs (Silversides) (F) 1352  
Fallout from the plague years: multiple loss and its impact on gay men (Silversides) (F) 1351  
*Human Rights and Public Health in the AIDS Pandemic.* Lawrence O. Gostin. (Dickens) (Book) 1524  
Rural Newfoundland no longer Canada's "AIDS capital" (Ryan) (NA) 1005  
What does it cost to live with HIV? (Kent) (NA) 14

#### Acute disease

The need for acute, subacute, and nonacute care at 105 general hospital sites on Ontario (Flintoft and others) (Ev) 1289

#### Adaptation, psychological

Fallout from the plague years: multiple loss and its impact on gay men (Silversides) (F) 1351  
MDs aiming for hospital boardroom may face humbling experience, CEO warns (Sullivan) (F) 918  
Suicide and life: the ultimate juxtaposition (Links) (Ex) 514

- Surviving social assistance: 12-month prevalence of depression in sole-support parents receiving social assistance (Byrne and others) (Ev) 881
- Adenocarcinoma**  
Radiation: saviour and culprit (NA) 581
- Adenoma**  
The imaging of incidentalomas (Rappaport and Merchant) (L) 472  
[reply] (Ooi) (L) 474 [correction 871]
- Adjuvants, pharmaceutical**  
Clinical Practice Guidelines for the Care and Treatment of Breast Cancer.  
7. Adjuvant systemic therapy for women with node-negative breast cancer (Steering Committee on Clinical Practice Guidelines for the Care and Treatment of Breast Cancer) (R) 435  
8. Adjuvant systemic therapy for women with node-positive breast cancer (Steering Committee on Clinical Practice Guidelines for the Care and Treatment of Breast Cancer) (R) 535  
Guides de pratique clinique pour la prise en charge et le traitement du cancer du sein.  
7. Traitement systémique adjuvant du cancer du sein sans envahissement ganglionnaire (Comité directeur des guides de pratique clinique pour la prise en charge et le traitement du cancer de sein) (R) 49SF  
8. Traitement systémique adjuvant du cancer du sein avec envahissement ganglionnaire (Comité directeur des guides de pratique clinique pour la prise en charge et le traitement du cancer de sein) (R) 59SF  
Management of specific symptom complexes in patients receiving palliative care (Bruera and Neumann) (Educ) 1717
- Administration** See **Organization and administration**
- Adolescence**  
Child abuse: a community problem (MacMillan) (Ed) 1301  
Complexity of problems changing face of adolescent health care (Hamilton) (NA) 294  
Diabetes threatening young native children (Square) (NA) 292  
Epidemiology of tuberculosis in Montreal (Rivest and others) (Ev) 605  
Nova Scotia town tackles teenage-sexuality issue (Grant) (NA) 294  
Rural Newfoundland no longer Canada's "AIDS capital" (Ryan) (NA) 1005  
Smoking levels settle on a high plateau (Buske) (P) 152  
Surviving social assistance: 12-month prevalence of depression in sole-support parents receiving social assistance (Byrne and others) (Ev) 881  
Les taux de tabagisme se stabilisent à la hausse (Buske) (M) 152  
User-friendly approach lets hospital reach out to disaffected youth (Gray) (F) 644
- Adolescent health services**  
Complexity of problems changing face of adolescent health care (Hamilton) (NA) 294  
Cool site (Patterson) (NA) 1005  
Nova Scotia town tackles teenage-sexuality issue (Grant) (NA) 294
- Adolescent psychology**  
User-friendly approach lets hospital reach out to disaffected youth (Gray) (F) 644
- Adrenal cortex hormones**  
Management of specific symptom complexes in patients receiving palliative care (Bruera and Neumann) (Educ) 1717
- Adrenal gland neoplasms**  
The imaging of incidentalomas (Rappaport and Merchant) (L) 472  
[reply] (Ooi) (L) 474 [correction 871]
- Adult**  
The BSE advantage [reply] (Harvey and others) (L) 472  
Death by restraint (Milliken) (Ed) 1611  
Discrimination against gay, lesbian and bisexual family physicians by patients (Druzin and others) (Ev) 593  
Epidemiology of tuberculosis in Montreal (Rivest and others) (Ev) 605  
Food bank users: Sociodemographic and nutritional characteristics (Starkey and others) (Ev) 1143  
For the Class of '98, the real-world education is about to begin (O'Reilly) (F) 793  
Guidelines for antiretroviral therapy for HIV infection (Rachlis and others) (Educ) 496 [correction 1271]  
Hemophilia society warns MDs: bleeding disorders not a male domain (Sibbald) (F) 1176  
How many physicians does Canada need to care for our aging population? (Roos and others) (Ev) 1275  
More on breast cancer guidelines (Nassar and others) (L) 1429  
Playing-related musculoskeletal disorders in musicians: a systematic review of incidence and prevalence (Zaza) (Ev) 1019  
Smoking levels settle on a high plateau (Buske) (P) 152  
Surviving social assistance: 12-month prevalence of depression in sole-support parents receiving social assistance (Byrne and others) (Ev) 881  
Les taux de tabagisme se stabilisent à la hausse (Buske) (M) 152  
This list works. Use it (Raiche) (L) 1430  
Trends in hospital use for mechanical neck and back problems in Ontario and the United States: discretionary care in different health care systems (Lavis and others) (Ev) 29
- Advance directives**  
Advance directives for insulin-using diabetic patients (Toth and others) (L) 1130
- Adverse drug reaction reporting systems**  
Bulletin canadien sur les effets indésirables des médicaments (R) 107, 945  
Canadian Adverse Drug Reaction Newsletter (R) 103, 941  
Fatal reaction: ADRs a leading cause of death (Brown) (NA) 1423
- Adverse effects** See **Drugs**
- Aerospace medicine**  
Frustrated by lack of job opportunities in Canada, MD moves to US space-medicine program (Sears Williams) (F) 384
- Africa**  
AIDS in Africa: a personal experience (Rashid) (Ex) 1051  
AIDS in Africa (Tectonidis) (L) 1129  
[reply] (Chan) (L) 1129
- Age distribution**  
Smoking levels settle on a high plateau (Buske) (P) 152  
Les taux de tabagisme se stabilisent à la hausse (Buske) (M) 152
- Age factors**  
The BSE advantage (Sterns) (L) 471  
[reply] (Harvey and others) (L) 472  
Impact of layoffs increases with age (NA) 17
- Aged**  
Advance directives for insulin-using diabetic patients (Toth and others) (L) 1130  
Annual visits to GPs by elderly patients (Finkelstein) (L) 299 [correction 871]  
(Wang and Badley) (L) 299  
[reply] (Rosenberg and Moore) (L) 300  
BC's physician-patient ratio (Longley) (L) 173  
[reply] (Buske) (L) 173  
Le bilan énorme des blessures au Canada (Buske) (M) 1784  
Bulletin canadien sur les effets indésirables des médicaments (R) 945  
Canada's massive injury toll (Buske) (P) 1784  
Canadian Adverse Drug Reaction Newsletter (R) 941  
Cardiopulmonary resuscitation for patients in a persistent vegetative state: Futile or acceptable? (Weijer) (Ed) 491  
Choosing between SSRIs and TCAs (Etminan) (L) 469  
[reply] (Flint) (L) 469  
A clinical score to reduce unnecessary antibiotic use in patients with sore throat (McIsaac and others) (Educ) 75

- The delay to thrombolysis: an analysis of patient and hospital characteristics (Brophy and others) (Ev) 475

## Ambulatory care facilities

Free-standing health care facilities: financial arrangements, quality assurance and a pilot study (Lavis and others) (Educ) 359

## American College of Obstetricians and Gynecologists

American ob/gyns reject request from gay colleagues (NA) 1006

## American Medical Informatics Association

On\_the\_Net@cma.ca/Sur\_le\_Net@cma.ca (Patterson) (R) 100

## American Psychiatric Association See United States

## Amniocentesis

Uncovering risks in early amniocentesis (Kent) (NA) 710

## Amputation

Phantom of the thalamus (Brown) (NA) 711

## Anatomy

Teaching of anatomy improved by new tool (Kent) (NA) 859

## Anatomy, artistic

On the trail of Leonardo (Johnston) (F) 777

## Anderson, Ian

Freestanding hospices ease pressure on physicians, hospitals, MD says (Elash) (F) 1757

## Anderson, Margaret

Freestanding hospices ease pressure on physicians, hospitals, MD says (Elash) (F) 1757

## Anemia, aplastic

Bulletin canadien sur les effets indésirables des médicaments (R) 945

Canadian Adverse Drug Reaction Newsletter (R) 941

## Anesthesia

Quebec faces shortage of anesthetists (Hamilton) (NA) 1420

## Angina pectoris, variant

Bulletin canadien sur les effets indésirables des médicaments (R) 945

Canadian Adverse Drug Reaction Newsletter (R) 941

## Animal

Determinants — and determination (Hoey and Postl) (Ed) 1467

Methylmercury and fish consumption: weighing the risks (Clarkson) (Ed) 1465

Of mice and mostly men — hantavirus pulmonary syndrome (Werker and Artsob) (PH) 912

Des souris et surtout des hommes — le syndrome pulmonaire dû au hantavirus (Werker and Artsob) (SP) 914

## Animal diseases

Can CJD be transmitted through the blood supply?

[reply] (Hoey) (L) 715

[reply] (Rohwer) (L) 716

## Animals, domestic

Can CJD be transmitted through the blood supply?

[reply] (Hoey) (L) 715

[reply] (Rohwer) (L) 716

WHO condemns broad use of antibiotics on farms (NA) 14

## Anopheles

Malaria may be on move to "tropical" Canada (Wilton) (NA) 160

## Anorexia

Management of specific symptom complexes in patients receiving palliative care (Bruera and Neumann) (Educ) 1717

## Anthrax

Anthrax (Hoey) (PH) 633

Biological weapons threat leads to inoculations for sailors (Fauteux) (NA) 1123

Le charbon bactérien (Hoey) (SP) 634

## Anti-HIV agents

Guidelines for antiretroviral therapy for HIV infection (Rachlis and others) (Educ) 496 [correction 1271]

## Anti-infective agents, fluoroquinolone

Bulletin canadien sur les effets indésirables des médicaments (R) 107

Canadian Adverse Drug Reaction Newsletter (R) 103

## Antibiotic resistance See Drug resistance, microbial

## Antibiotics

A clinical score to reduce unnecessary antibiotic use in patients with sore throat (McIsaac and others) (Educ) 75

WHO condemns broad use of antibiotics on farms (NA) 14

## Antibiotics, combined

*Helicobacter pylori* (Cary) (L) 869

Invasive *Streptococcus pneumoniae* infections: serotype distribution and antimicrobial resistance in Canada, 1992–1995 (Lovgren and others) (Ev) 327

## Antibodies, bacterial

Invasive *Streptococcus pneumoniae* infections: serotype distribution and antimicrobial resistance in Canada, 1992–1995 (Lovgren and others) (Ev) 327

## Anticoagulants

Little-publicized Manitoba case holds crucial lesson for doctors (Capen) (F) 1520

## Anticonvulsants

Bulletin canadien sur les effets indésirables des médicaments (R) 107

Canadian Adverse Drug Reaction Newsletter (R) 103

## Antidepressive agents

Bulletin canadien sur les effets indésirables des médicaments (R) 945

Canadian Adverse Drug Reaction Newsletter (R) 941

## Antidepressive agents, tricyclic

Choosing between SSRIs and TCAs

(Eminan) (L) 469

[reply] (Flint) (L) 469

## Antihypertensive agents

Primary prevention of heart disease and stroke (McAlister) (L) 24

[reply] (McCormack and others) (L) 25

## Antineoplastic agents

Unconventional therapies for cancer: 4. Hydrazine sulfate (Kaegi and Task Force on Alternative Therapies of the Canadian Breast Cancer Research Institute) (Educ) 1327

## Antineoplastic agents, phytogetic

Unconventional therapies for cancer: 3. Iscador (Kaegi and Task Force on Alternative Therapies of the Canadian Breast Cancer Research Institute) (Educ) 1157

## Antipsychotic agents

Bulletin canadien sur les effets indésirables des médicaments (R) 945

Canadian Adverse Drug Reaction Newsletter (R) 941

## Antitubercular agents

Epidemiology of tuberculosis in Montreal (Rivest and others) (Ev) 605

## Anti-ulcer agents

*Helicobacter pylori* (Cary) (L) 869

## Antiviral agents

The new antiretroviral "cocktails": Is the stage set for HIV-positive women to benefit? (Walmsley) (Ed) 339

After the strike: using facilitation in a residency training program (Andres and others) (Educ) 621

Annual visits to GPs by elderly patients (Finkelstein) (L) 299 [correction 871]  
 (Wang and Badley) (L) 299

Are rural general practitioner-obstetricians performing too many prenatal ultrasound examinations? Evidence from western Labrador (Thompson and others) (Ev) 307

The Class of 1989 and physician supply in Canada (Ryten and others) (Ev) 723

The Class of 1989 and post-MD training (Ryten and others) (Ev) 731

A clinical score to reduce unnecessary antibiotic use in patients with sore throat (McIsaac and others) (Educ) 75

Desperately seeking doctors (Sibbald) (F) 377

Fee code creep among general practitioners and family physicians in Ontario: Why does the ratio of intermediate to minor assessments keep climbing? (Chan and others) (Ev) 749

A futile search (Blattel) (L) 1011

Getting prepared for rural practice [reply] (Reddoch) (L) 1431

High-billing general practitioners and family physicians in Ontario: How do they do it? An analysis of practice patterns of GP/FPs with annual billings over \$400 000 (Chan and others) (Ev) 741

Hospital bean-counting

(Ford) (L) 1431

[reply] (Marshall) (L) 1434

A Marathon session: A town's MDs develop a philosophy to call their own (O'Reilly) (F) 1516

Practice patterns and billing patterns: Let's be frank (Wright) (Ed) 760

Provision of preventive care to unannounced standardized patients (Hutchison and others) (Ev) 185

A really bad locum (Emmott) (Ex) 235

This list works. Use it (Raiche) (L) 1430

A warm place to practise: meeting the challenges of medicine in the North (Reddoch) (Ed) 337

What factors influence primary care physicians' charges for their services? An exploratory study using standardized patients (Woodward and others) (Ev) 197

## Famous persons

On the trail of Leonardo (Johnston) (F) 777

## Fasting

Updating the insulin lispro file (Grossman) (L) 1132

## Fatigue

Dead tired (Poulson) (Ex) 1748

## Fatty acids, omega-3

Seal-oil capsules enter market (Ryan) (NA) 1260

## Fee-for-service plans

La facturation des médecins : les données les plus récentes (Buske) (M) 1408

How hard do physicians work? (Buske) (P) 1248

MDs want off fee-for-service treadmill (Buske) (P) 280

Les médecins travaillent-ils fort? (Buske) (M) 1248

Les médecins veulent abandonner la rémunération à l'acte (Buske) (M) 280

Paying physicians: Is a different method really better? (Wharry) (NA) 579

Physicians' gross billings: the latest data (Buske) (P) 1408

What factors influence primary care physicians' charges for their services? An exploratory study using standardized patients (Woodward and others) (Ev) 197

## Fees, medical

AMA reveals inflation's bite (NA) 162

Fee code creep among general practitioners and family physicians in Ontario: Why does the ratio of intermediate to minor assessments keep climbing? (Chan and others) (Ev) 749

High-billing general practitioners and family physicians in Ontario: How do they do it? An analysis of practice patterns of GP/FPs with annual billings over \$400 000 (Chan and others) (Ev) 741

Paying physicians: Is a different method really better? (Wharry) (NA) 579

Practice patterns and billing patterns: Let's be frank (Wright) (Ed) 760

What factors influence primary care physicians' charges for their services? An exploratory study using standardized patients (Woodward and others) (Ev) 197

## Fellowships and scholarships

Canada produces its first MD specializing in telemedicine (Osorio) (F) 1341

Palliative care to move to front burner? (Kent) (NA) 13

## Female

Access to prenatal HIV testing (Remis and Patrick) (Ed) 1469  
Are rural general practitioner-obstetricians performing too many prenatal ultrasound examinations? Evidence from western Labrador (Thompson and others) (Ev) 307

## Breast cancer guidelines

(Mahoney) (L) 1131

(Rasuli) (L) 1131

Breast self-examination techniques (Marshall) (L) 869

The British Columbia Positive Women's Survey: a detailed profile of 110 HIV-infected women (Kirkham and Lobb) (Ev) 317

The BSE advantage

(Sterns) (L) 471

[reply] (Harvey and others) (L) 472

Cameras becoming ER physicians', courts' allies (Kent) (F) 1181

Child abuse: a community problem (MacMillan) (Ed) 1301

Chlamydial cervicitis: testing the practice guidelines for presumptive diagnosis (Sellors and others) (Ev) 41

Debating the management of osteoporosis risk (Sovereign) (L) 586

Discrimination against gay, lesbian and bisexual family physicians by patients (Druzin and others) (Ev) 593

Evidence-based guidelines for universal counselling and offering of HIV testing in pregnancy in Canada (Samson and King) (Ev) 1449

Familial abuse: a multifaceted problem

(McRae) (L) 867

(Rudrick) (L) 866

Folic acid fortification: What does it mean for patients and physicians? (Turner and McCourt) (PH) 773

Follow-up after endometrial cancer

(Aquino-Parsons and Lim) (L) 587

(Danjoux and others) (L) 588

Food bank users: Sociodemographic and nutritional characteristics (Starkey and others) (Ev) 1143

Fortification par l'acide folique : Qu'est-ce que cela signifie pour les patients et les médecins? (Turner and McCourt) (SP) 775

Hemophilia society warns MDs: bleeding disorders not a male domain (Sibbald) (F) 1176

Little-publicized Manitoba case holds crucial lesson for doctors (Capen) (F) 1520

More on breast cancer guidelines

(Brown) (L) 1425

(Godfrey) (L) 1426

(Mahoney) (L) 1425

(Nassar and others) (L) 1429

(Ramsay) (L) 1427

(Reid) (L) 1426

(Rieckenberg) (L) 1426

The new antiretroviral "cocktails": Is the stage set for HIV-positive women to benefit? (Walsmsley) (Ed) 339

Questions and answers on breast cancer. A guide for women and their physicians (Steering Committee on Clinical Practice Guidelines for the Care and Treatment of Breast Cancer) (R) (Booklet/Brochure)

Questions et réponses sur le cancer du sein: guide à l'intention des femmes et de leurs médecins (Comité directeur des guides de pratique clinique pour la prise en charge et le traitement du cancer de sein) (R) (Booklet/Brochure)

Safe motherhood: Can we make a difference? (Lalonde) (Ed) 889

Secret cervicitis? (Patrick) (Ed) 65

Surviving social assistance: 12-month prevalence of depression in sole-support parents receiving social assistance (Byrne and others) (Ev) 881

This list works. Use it (Raiche) (L) 1430

Trends and variations in length of hospital stay for childbirth in Canada (Wen and others) (Ev) 875

With HIV prevalence among women increasing, more provinces encourage prenatal testing (Silversides) (F) 1518

## Fenfluramine

Bulletin canadien sur les effets indésirables des médicaments (R) 107

Canadian Adverse Drug Reaction Newsletter (R) 103

## Fetus

Society's interest in protection for the fetus (Flegel) (Ed) 895

Uncovering risks in early amniocentesis (Kent) (NA) 710

## Fever

La lutte contre l'hyperthermie et la déshydratation (Hoey) (SP) 1172

Wrestling hyperthermia and dehydration (Hoey) (PH) 1171

## Fibre optics

Fibre-optic links eliminate distances separating specialists, patients (Lyttle) (F) 1349

## Financing
